## Technical Information

**Safety Data Sheet**  
**In accordance with 91/155/EEC**

### 1. Substance / Preparation and Company name.

- Company Name: Angleboard UK

- Product Name: **LITEC**

### 2. Composition / Constituent Details.

- Chemical composition:	Cellulose / Polyethylene / Aluminium (in some)
- Dangerous Substance Content:	Not Applicable
- Colour:	Not Applicable
- Odour:	Not Applicable

### 3. Possible Hazards.

Non-Hazardous products under EEC criteria.

### 4. First Aid Procedures.

- On inhalation: Not Applicable
- On contact with the skin: Not Applicable
- On contact with eyes: Not Applicable
- On swallowing: Not Applicable

### **5. Fire-Fighting Procedures.**

- Suitable extinguishing agents: Water / CO<sub>2</sub> foam / Dry Powder
- Unsuitable extinguishing agents: Not Applicable
- Particular hazards with the substance itself, its combustion products or resulting gases: Carbon Dioxide & Monoxide
- Special protective equipment when fire: None
- Additional information: Skin burns must be treated

### **6. Procedure in the Event of Accidental Release.**

- Safety measures with the regard to people: Not Applicable
- Environmental protection measures: Not Applicable
- Cleaning / Collection measures: Not Applicable
- Additional Information: Not Applicable

### **7. Handling and Storage.**

#### **Handling**

- Instructions for safe handling: None
- Instructions for fire and explosion prevention: No special measures, observe general rules on fire prevention.

#### **Storage**

- Store-room and container requirements: Normal condition
- Storage conditions: Temperature from -5 to +40°C.
- Humidity: No influence
- Max. storage time: No limit
- Water hazard group under Water Resources Management Law: None
- Hazard class under the Ordinance Regulating Inflammable Liquids: Not Applicable

### **8. Exposure Limits and Individual Protective Equipment.**

- Constituents where working limits have to be observed: Not Applicable
- Additional Information: None

- Individual protective equipment:	None
- General protective measures and hygiene:	None
- Respiratory protection:	None
- Protective gloves:	None
- Protective goggles:	None
- Protective clothing:	None

## **9. Physical and Chemical Properties.**

### **Appearance**

- Form:	Multilayer Polyethylene coated cellulose paper
- Colour:	Various
- Odour:	None

### **Safety Data**

- Melting point or range:	As for polyethylene
- Flash point:	As for polyethylene
- Inflammability:	as for cellulose
- Inflammation point:	> 300°C
- Fire-spreading properties:	As for polyethylene
- Explosion hazard:	Not Applicable
- Steam pressure:	Not Applicable
- Density:	0,8 – 0,95
- Powder density:	Not Applicable
- Solubility:	Not Applicable
- pH value concentrate:	Not Applicable
- pH value in solution:	Not Applicable
- Metal corrosion - aluminium:	None
- steel:	None

## **10. Stability and Reactivity.**

### **Conditions to be avoided**

- Decomposition temperature:	> 160°C
- Hazardous reactions on change in pressure, action of light, vibration:	None
- Substances to be avoided / Hazardous reactions:	Not Applicable
- Hazardous decomposition products:	None

## **11. Toxicological Information.**

- Acute toxicity:	Not Applicable
-------------------	----------------

- Toxicological effect: Not Applicable
- Irritation or Sensitisation: Not Applicable

### **12. Ecological Information.**

- To be treated like a polycoated paper waste
- Recyclable as paper
- Not classified as a “special waste”, can be disposed at approved landfill sites or by incineration under approved condition

### **13. Instruction on Disposal.**

#### **Unused Product**

- Recommended means of disposal: Recycling, Incineration
- Waste description: Paper

#### **Used Product**

- Recommended means of disposal: Recycling, Incineration
- Waste description: Paper
- Uncleaned packaging: Incineration, Dump, Recycling

### **14. Transportation Requirements.**

- No special requirements for the different type of transport
- Not a hazardous substance under the transportation regulations.

### **15. Regulations.**

- Hazardous Material Product Number: None
- Hazard Symbol: Not Applicable
- National Symbol: Not Applicable

### **16. Other Information.**

- No limitation of use.
- These products are in accordance with the European standard concerning heavy metals level in packaging materials (directive 94/62/CE – decree 98-638).
